## Registrar e inicio de sección

Mobile app registration screen. The interface features a light purple background. At the top, there is a status bar with the time 1:20 and various icons. Below the status bar, there are two input fields: "Correo Electronico" and "Contraseña". A purple button labeled "Registrar" is positioned below the input fields. At the bottom, there is a link "¿Ya posees una cuenta? Ingresar". The bottom of the screen shows a black navigation bar with a back arrow, the text "Activar Windows", and a link "Ve a Configuración para activar Windows".

## Validación de campos

Smartphone screen showing a registration form. The top status bar displays the time 2:06 and various icons. The app's header is purple. The form has two input fields: "Correo Electronico" and "Contraseña". Below the fields is a purple "Registrar" button. At the bottom, there is a link "¿Ya posees una cuenta? Ingresar". A keyboard is visible at the bottom, and a message at the bottom of the keyboard reads: "El campo de correo electrónico está vacío".

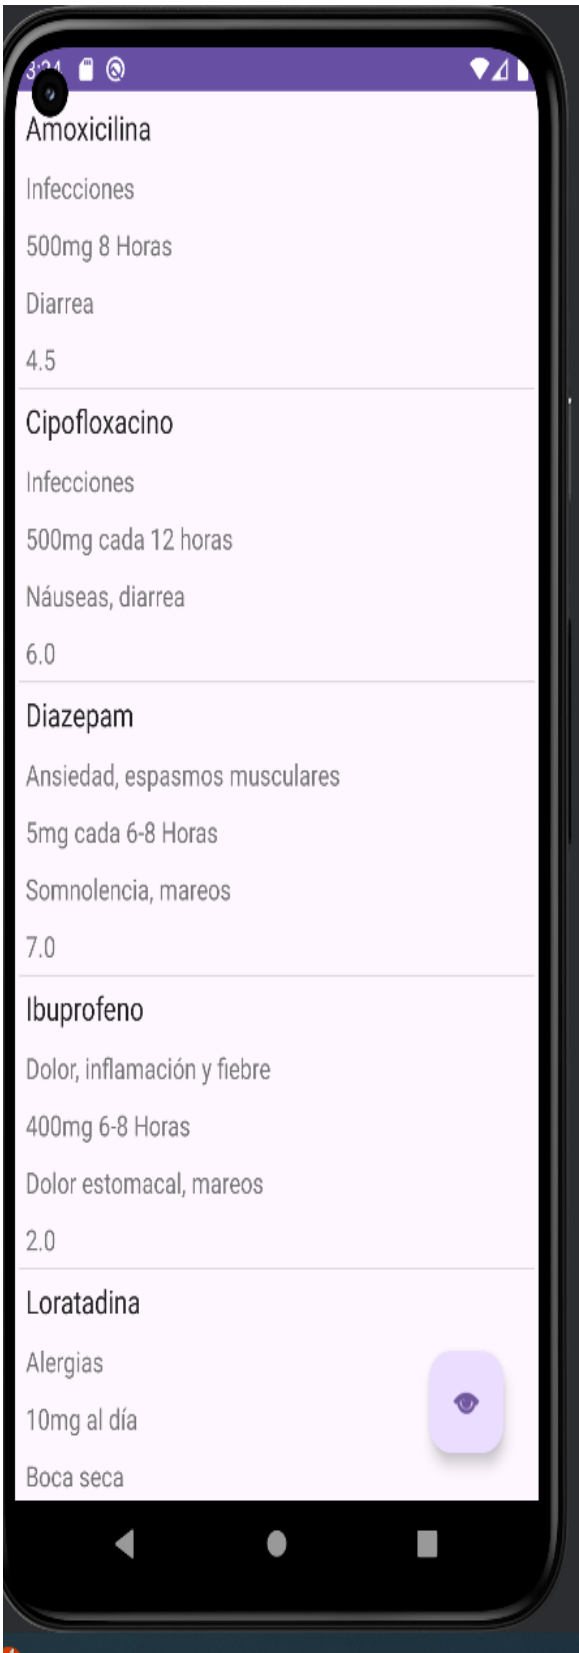

Smartphone screen showing the same registration form, but the "Correo Electronico" field is now filled with the text "kiu". The "Contraseña" field remains empty. The "Registrar" button is still present. The bottom link "¿Ya posees una cuenta? Ingresar" is also visible. The keyboard shows the text "kiu" in the search bar, and a message at the bottom of the keyboard reads: "Formato de correo no válido".
